SEVEN STUDENTS FILL QUALIFICATIONS FOR N. A. A. MEMBERSHIPS

Seven students, Correll Moore, Andrew Rogers, Ralph Helenthal, Harold Davis, Robert Hartman, Eugene Mason and Fred Deatherage were voted as eligible for membership in the National Athletic Association of Secondary Schools in a recent meeting of the student council.

To be eligible for membership one must gain a letter in one major sport, have good sportsmanship, and have a scholastic standing above the average of the entire school. Our school is quite proud to have so many eligible this year because in previous times there were only two or perhaps four who reached this honor.

Rogers, captain of the football team, was voted in by the council on the recommendation of the coach, as deserving letters in basketball. After a somewhat lengthy discussion it was voted that Harry Hoffmann be given a manager's letter and that Harry Dowland should receive a letter in basketball.

The student council members patrolling the halls during the seventh period was reported to be successful to the present time. A student who is not in a class room is asked to leave the school premises immediately, thus preventing any class being disturbed.

The council is finishing the work on the honor point system which has proved quite efficient.

MISS CUSIC WILL LEAVE HIGH SCHOOL

Miss Cusic, who has been a member of the faculty for a number of years, has been handed in her resignation and will not be here next year.

She is going to attend the University of Michigan to get her Masters Degree in mathematics.

Miss Cusic has been a teacher and advisor of many of the pupils of the school and will school will certainly miss her.

HI-Y LADIES' NIGHT HAS VARIED PROGRAM

The Hi-Y members each took a girl to Hi-Y Tuesday night. The meal was a trifle late but the guests were rewarded for their wait by a generous supper.

Mr. Hermann was at the head of the table. Mr. Brady, being without a seat, told Mr. Hermann that he was wanted on the phone. When Mr. Hermann left his seat, Mr. Brady proceeded to fill himself a seat at the chair Mr. Hermann had just vacated.

After the supper Maurice Craig played the piano while all sang. He also played several special numbers.

Winona Rawlings played a solo on the sax.

Stanley Ashby gave the alperutis to the following: Mr. Hermann, Mr. Brady, Coach Fred R. Prusha, Robert Hartman, William Morgan and Kenneth Olsen.

Robert Hartman gave a welcome to the lady guests. In return Cozy Green expressed the thanks of the girls who were there.

H. J. Rodgers gave a short speech on the pastimes of the boys in the days of his youth.

J. F. Heuser gave some statistics on Hi-Y all over the world, and especially in Illinois. Following this the meeting was adjourned.

—Lester Spencer, '30.

EMERGENCY ROOM IS KEPT A BUSY PLACE

Miss Havenhill reports that the emergency room is kept pretty well filled each period of the day. The record is kept by Miss Havenhill and each time a student comes in, his name is put down, his ailment, and the date and period he is in the room. The most frequent ailment is that of cuts received in the cooking room and in the chemistry classes, perhaps the most peculiar case was that of a boy who swallowed mercury in the general science room not long ago.

Miss Havenhill is in charge of the emergency room, but there is a girl there each period. It is her duty to attend to those wanting treatment, and to call Miss Havenhill in the case of serious injury or illness.

J. H. S. is fortunate to have a room of this kind and fortunate to have Miss Havenhill, who has made successful Jacksonville High School's emergency room.

CONTEST ENTRIES

Margaret Seybold and Margaret Goebel, two students from Miss Leonard's English 8 class, will compete in a literary contest sponsored by several American magazines.

This contest is open to any high school student in the United States. All work must be original.

Margaret Seybold will enter two articles, the first, a poem, "Three Things"; the second, a short story, "The Romance of a School Teacher." Margaret Goebel will also have two entries in the contest an essay, "The Awakening of the Town" and a short story, "Her Position."

These compositions received theme credit in English and were considered good enough to be sent to Cleveland where the contest will be held.

MRS. SCHNEIDER SUBS

During the absence of Miss Johnston Mrs. Schneider is taking her place in gym and hygiene classes.

In gym the girls are learning to play many games. One of the most common is baseball. In hygiene classes, which meet only on Friday, they are learning how to care for a person who has taken poison. They are also learning how to treat the eye.

Miss Vasey Shows Slides

A very interesting program was presented for the Music Appreciation class on Wednesday. Miss Virginia Vasey took charge of the program, which was held in the lantern room at the Junior High School instead of the Music room at the High School.

Miss Vasey showed pictures of all the composers that the class has studied. While the pictures were being shown she gave the life of each one. She also played several records from operas that the men composed.

—Cornelia Green, '31.

By One Point Margin

The 5th and 6th period class with 353 points won over the first and second with 352 points, in the manual training contest which has just been completed.

The object of the contest was to show the difference between tools of the past and those of the present.

The results of the contest were of much interest to the class because of the close scores. The tools were judged on the following things: (1) the largest number of old tools; (2) most tools over 50 years old; (3) best variety; (4) most tools with given history; (5) percentage of students represented.

The judges were Messrs. Mutch, May, Sheppard and Loomis.

—Anna Louise Stevenson, '31.

Introduction-Conclusion

The public speaking class is trying to project the introduction and ending of speeches. During the last week the members of the class have been giving talks, with this end in mind.

Some of these introductions were very novel, and the speeches were thoroughly interesting.

The introduction of a speech is very important, for it either attracts or loses the attention of an audience.

—Kenneth Chenoweth, '32.

Study First Aid

Miss Irene Johnston's new hygiene class is progressing very fast this semester. These classes meet every Friday and study some phase of hygiene in place of taking gymnasium work. So far they have been studying first aid for various accidents.

Each week a new type of injury is taken up, and a study is made of the symptoms and treatment. The injuries studied so far are strains, sprains, dislocations, bruises, shock, and fractures.

Miss Johnston intends to take up also wounds, bleeding, burns, foreign bodies, and bandaging. That will complete the study of first aid.

The next will be a thorough study of diseases including diphtheria, impetigo, consumption and appendicitis.

The last of the semester will be devoted to personal hygiene in which they study the care that should be given the body in order to remain in good health.

This course is given in the form of lectures. Each Friday Miss Johnston lectures on one of these topics and then gives a test over what she has said. In these tests she often includes review questions in order to keep the students interested in reviewing their notes on her lectures.

"Dixie" Ends Cinema Season

The last history show of the season, "Dixie," and the Wonders of California, was given Wednesday evening, March 12, in the high school auditorium.

These shows have been given approximately every two weeks during the school year and have been sponsored by the history department under the direction of Victor H. Sheppard.

NO BASEBALL COMPETITION

As Jacksonville high school will have no baseball team this spring, the final events on this year's sport calendar are track, golf and tennis. Ineligibility of players is the reason for the ruling on baseball, but inter-class competition is planned for late spring.

—Ned Donohoe, '32.

USE ALTERNATES FOR EDITION OF EXHAUST'S NEWS

Because of the large number in the Journalism class this semester, it has been divided into two sides. The plan is to let one side edit the Exhaust each week, while the other side works on debates, current events, or any other class work that Miss Moore happens to assign. A contest is being held to determine which side puts out the Exhaust most successfully.

Bruce Thomson is captain of one side, which includes Edna Shay, Charles Cornick, Bob Coultas, Edison DeFreitas, Richard Ewert, Elizabeth Frost, Virginia Heaton, Mary Lou Hunter, Charles Lytel, Ruthannett May, William Morgan, Virginia Rice, Ernestine Schoedsack, Charles Scott, and Anna Louise Stevenson. The captain of the other side is Esther Dumas; her side includes Robert Capps, Helene Carlyle, Kenneth Chenoweth, Ned Donohoe, Hattie Fearnough, Marion Frank, Frank Goodall, Cornelia Green, Lucille March, Lena Mary Nunes, Mildred Rutherford, Lester Spencer, Frances Taylor, Virginia Vasey, and Virginia Wiswell.

On Friday a debate was held in the class, the subject being, "Resolved that crime news should be suppressed in all newspapers." The affirmative team was Richard Ewert and Edison DeFreitas, while the winning team was Charles Scott and Ruthannett May. After the debate the class voted on the merits of the question, and gave the decision strongly in favor of the suppressing of crime news.

By the time this week is being put out by Esther Dumas and her assistants, Bruce Thomson is already working on his assignments for next week's issue.

EDITORIAL

Woe be upon seniors and a few sorrowful seniors are mysteriously noticeable. A smile from one of them is a rarity. A broad smile is unknown. The dark mystery is the fearful oppression of an American history term report. The rare smile is provoked by the returned note which is marked "O. K." The broad smile will be known as soon as the paper is accepted.

Teachers deem term reports necessary to train students for such experience in college, and much research work, and give experience in writing and to furnish knowledge.

The students deem term reports unnecessary and unavoidable evils. A jumble of facts, something anyone can write, and give experience in writing and to furnish knowledge.

The victims are as a rule confident they will never check their minds. There are a few exceptions, but they are "models for the ages."

VACATION

The South Central Division of Illinois State Teachers' association will hold a meeting at Springfield, Thursday, Friday and Saturday. This division includes Jacksonville, and it is compulsory for the teachers to go.

The students have been wanting a vacation for a long time, but the teachers will get no vacation with them.

NEW FRESHMEN ARE GUESTS OF THE OLD

The first semester freshmen were entertained Thursday evening at 7:30 in the David Prince gymnasium by the second semester freshmen.

The freshmen put on an affair that they will be proud to write in their senior "J." The entertainment was due to the hard work of the following committee: Emilene Harber, Emily Rawlings, Martha Keller, Terrence Brennan, Rodger Hopper, and Eleanor Rhodes. Faculty advisors for this committee are Messrs. Louise Struck and Frances Brown.

In order to have a striking background for the big affair the following thought of original ideas on the decorative committee: Walter Wild, Regina Cheneler, Earl Rabjohns, Evelyn Ferguson, Isabel Hull, and Aileen Murphy. Faculty advisors for the committee are Misses Marion Carter and Norma Perbix.

Presiding over the above committees were: Kenneth Day, chairman, Eugene Greenleaf, Eleanor Butterfield, Josephine Arisman, and Maurine McNamara. For advisors they have chosen Misses Margaret Miller and Edna Osborne of the faculty.

A popularity contest was held in the freshman class and the winners were announced. Those who received the honors were Eleanor Rhodes, most popular girl, Dorothy Smith, prettiest girl, Herbert Smith, most handsome boy, and James Frye, most popular boy.

OOSTERBAAN, U. OF M. STAR, WILL SPEAK

The last of the special assemblies will be given on March 17. Principal Mutch believes it will be the most interesting one of the year.

Bennie Oosterbaan, former star athlete of the University of Michigan, will be the speaker for this assembly.

The students are greatly interested in Mr. Oosterbaan because of his national fame. He has been called the most celebrated athlete of his college generation.

No doubt his talk will be instructive as well as interesting. With Mr. Oosterbaan's example before them, it is hoped that the students will go out for greater victories in athletics.

RATCLIFFE DESCRIBES ORIENTAL CONDITIONS FOR AUDIENCE MONDAY

S. K. Ratcliffe gave his second lecture before a large audience Monday night. The topic for his talk was "The Rise in the Orient." This dealt mainly with the causes for the conditions existing in India today.

He opened by telling of the importance of Asia as a continent. Asia has a population of about one billion. Almost half of these inhabitants live in India and China.

Mr. Ratcliffe pointed out the background of the present conditions of Prussia, Turkey, India, and Russia. In this he told of the gradual acceptance of the influence of the western world.

India today is facing a crisis. This is due to a desire to become independent, which arose about fifteen years ago. A man by the name of Ghondri is greatly responsible for the refusal to abide by the laws in India.

Mr. Ratcliffe briefly told the history of the movement in India and then ended his lecture by answering questions on religion and military problems asked by the audience.

This lecture ends the annual program of the A. A. U. for this year. The Jacksonville high school students showed their appreciation to the society for admitting them free, by attending in large numbers. It is estimated that about one-fourth of the audience consisted of high school students taking advantage of the opportunity offered them. They can easily see the value of such lectures, especially in regard to their work in history and world problems classes.

FORMAL LUNCHEON MARKS FINAL GUEST OCCASION

A formal luncheon was served in the home economics dining room on Thursday. It was a guest occasion, each hostess inviting two outside guests.

The table was set for eight and the color scheme of pink and white was carried out in the linen and the table decorations. The centerpiece which was a bouquet of carnations, carried out the pink and white scheme.

The menu was as follows: Beef bouillon and croutons, pigs in the blanket, stuffed baked potatoes, creamed cauliflower on rosettes, luncheon rolls and butter, luncheon salad, ice cream and macarons, coffee, and mints.

Roberta Nunes was hostess and Lenora Goveia was host. Frances Ledford and Mary Harney were guests from the class. The outside guests were Mrs. Robert P. Nunes, Mrs. Geo. M. Goveia, Mrs. Leonard M. Goveia, and Miss Alice R. Larimore.

BIG 12 DEBATING PROGRAM MAPPED

The school feels very fortunate in having secured such good teams for the Big Twelve Debate this year. The debate is to be held on March 31. The affirmative team consisting of William Fay, Bruce Thomson, Roger Wolman and Randall Stout will debate against Springfield, here, the negative team with Roberta Steinman, Robert Hartman and Junior Little will go to Springfield to debate.

Since Mildred Rose and Ralph Yakel dropped out of the team, Mr. Sheppard does not have the four original members.

The question for debate is, "Resolved, That the International Athletics Should Be Adopted Instead of Inter-scholastic Athletics in All Schools."

At eight-thirty the big dance came off with the juniors and seniors invited. The chaperons for this dance included Mr. and Mrs. J. C. Mutch, Misses Lillian Havenhill, Mary Cusic, Mabel Ruyle and Irene Johnston, and Mr. Elbert Lair.

Those who planned the dance are: Margaret Elliott, Dorothy Conover, Jeanette Lacey, Harold Metzger, Charles Hackett, Thomas Ketter, Hershell Heaton, John Bunch, Helen Russell, Mary Hadden, Roberta Jones, Helen Strickler, and Lenore Sperry. The sophomore frolic was directed by Miss Louise Lewis and much credit is due to her.

DANCE AND BANQUET HONORS BASKET MEN

The sophomores put all their energy on the big St. Patrick's dance of last Friday, March 14 and made it go off with a bang. The schedule for the sophomores included a banquet at the Peacock Inn in honor of the basketball men and Coach Prusha. Details of the program following the six o'clock dinner were worked out by Margaret Elliott, Dorothy Conover, Dale Goubey, and Ned Donohoe.

At eight-thirty the big dance came off with the juniors and seniors invited. The chaperons for this dance included Mr. and Mrs. J. C. Mutch, Misses Lillian Havenhill, Mary Cusic, Mabel Ruyle and Irene Johnston, and Mr. Elbert Lair.

Those who planned the dance are: Margaret Elliott, Dorothy Conover, Jeanette Lacey, Harold Metzger, Charles Hackett, Thomas Ketter, Hershell Heaton, John Bunch, Helen Russell, Mary Hadden, Roberta Jones, Helen Strickler, and Lenore Sperry. QUEEN MARY PAYS VISIT TO PUBLIC HOUSE

London, March 15.—(A.P.)—Great Britain's queen knows considerably of beer, bartenders, and bar-rooms today than she has ever known before. Yesterday she visited a British public house.

Her comment upon leaving the bar-room was: "I have enjoyed myself tremendously. I think it is a splendid place, so cozy and homely."

The "drinks of astonishment" and "drinks of astonishment" and "drinks of astonishment" upon the men in the crowded public house when her majesty, wearing a mauve gown, appeared behind the bar and looked around her with a friendly smile.

The men doffed their hats, but said nothing until an elderly man whispered to his neighbor: "ain't she lovely?" the compliment did not escape the queen who laughingly acknowledged it and in so doing set the whole party at ease.

Queen Mary was not just sure how to behave until an elderly man whispered to his neighbor: "ain't she lovely?" the compliment did not escape the queen who laughingly acknowledged it and in so doing set the whole party at ease.

After leaving the inn her majesty accompanied Reverend Basil Jellicoe on a visit to some slum dwellings.

WILL BAR CLEARANCE TO LIQUOR VESSELS

Ottawa, March 15.—(AP)—Passage of the bill to prohibit clearances for craft carrying liquor to the United States seemed assured today after second reading in the house of commons without a division.

The measure, which was introduced by Premier W. L. Mackenzie King, has the support of the conservative opposition.

After declaring that the Canadian government now acts as a connecting link between breweries and distilleries and United States rum-runners, Mr. King challenged members of parliament to defeat the bill.

"May I say," declared the prime minister, "that so serious do I believe the situation to be that I would no longer assume the responsibility in the matter of external affairs in this regard if I were not sure that I had the support of this parliament."

"The present situation is found to affect a link between the brewery and distillery and the criminal gang."

"This country cannot afford to have its position capable of interpretation in any such light by any country in the world. Such a condition is distasteful to the people of Canada and has only been tolerated as long as it has because of the failure to realize this aspect of the situation."

BELIEVE BANDITS MAY HAVE KILLED PILOT

Los Angeles, March 15.—(AP)—Officials of the Western Air Express here admit there is a possibility the mail plane piloted by Maurice Graham, which disappeared during his flight between Los Angeles and Salt Lake

City on Jan. 10 may have been looted and destroyed and his body buried. This theory was elicited from officials when it became known the Nevada State Journal of Reno today was publishing a story that the missing mail plane carried \$75,000 in currency and securities amounting to nearly \$250,000, the country over which Graham was flying has been thoroughly searched and that searching parties believe the plane never landed in the territory over which a severe storm raged the day Graham disappeared.

Members of the searching parties, the Journal says, expressed the belief that if the plane landed, it was destroyed and the body of the pilot buried by those who robbed the wreck.

TWO MEN ARE HELD FOR DEATH OF GIRL

Chester, Ill., Mar. 15.—(AP)—Fred Linder of Percy, Ill., and W. A. Carbaugh of O'Fallon are held in jail to answer jointly for the death of Miss Virgil Ashbury, 17, of Percy, who died after taking medicine allegedly given her by Linder. Carbaugh was arrested this week on a charge of murder. Linder already had been indicted.

Walter Young, charged with killing Jacob Tobie, eccentric fisherman, at the latter's shack on the Mississippi river, near here, pleaded guilty in Randolph county circuit court and was sentenced to the penitentiary at Menard, Ill., on a charge of manslaughter. The son confessed he threw the body into the river after beating the aged man to death.

DISCOVERER WOULD CALL NINTH PLANET "ATLAS"

New York, March 15.—(AP)—Numerous suggestions for a name for the newly discovered ninth planet were before astronomers at Lowell Observatory at Flagstaff, Ariz., today.

Roger Lowell Putnam, of Springfield, Mass., a member of the observatory's board of trustees, said that Atlas was the best suggestion that had come to him.

He also suggested the name of Constance, in honor of the widow of Dr. Percival Lowell, founder of the observatory. Dr. Lowell "discovered" the ninth planet 15 years ago mathematically through computations of the peculiar influence being exerted upon the planet Uranus.

Mrs. Lowell, whose home is in Boston, said she thought the planet should be named Percival in honor of her husband.

Dr. Harlow Shapley, director of the Harvard Observatory, through whom the announcement of the new planet was made, suggested the name named Kronos, after the mythological father of the six principal Greek gods.

Final choice of a name rests with the staff of astronomers of Lowell Observatory.

The temperature on the new planet probably does not exceed minus 350 degrees Fahrenheit, it is believed by Professor John Q. Stewart of the Princeton astronomy department.

"Since the new planet is about forty-five times as far from the sun as the earth," he said, "it is receiving two thousand times less heat. Out at this exceedingly low temperature nitrogen would be frozen while oxygen freezes at a temperature a few degrees lower at 55 degrees absolute."

ASSOCIATED PRESS IS COMPLIMENTED BY PAPER

New York, March 15.—(AP)—The New York World in an editorial in today's issue respecting the ninth planet in the solar constellation which was discovered at Flagstaff, Ariz., concludes as follows:

"Before leaving the subject we wish to compliment the Associated Press on the copious report which it furnished on the event. There was no scandal, no casualty list, no case of a man biting a dog; yet the service rendered at once that this was news of the very first importance, and it was largely due to its enterprise that the world was so fully informed yesterday morning as to what had taken place."

YORK AND BLAIR TO HEADLINE PROGRAM TEACHERS WILL HEAR

Teachers in Win-Co-Hi are planning to attend the eleventh annual meeting of the South Central Division of the Illinois State Teachers' Association to be held in Springfield, March 20 and 21. General sessions are to be held at the State Arsenal while Sectional meetings will be held on Friday afternoon at three o'clock at designated places.

The South Central Division is composed of the following counties: Brown, Cass, Christian, Macon, Macoupin, Menard, Morgan, Pike, Sangamon and Scott. Our county will be officially represented by County Superintendent Alice I. Mudd, Principal F. H. Mellon of Winchester, member of the resolutions committee, and Superintendent Blansett of Bluffs, member of the nominating committee.

Teachers pay two dollars annual dues for their membership in this association which also includes membership in the Illinois State Teachers' Association. All members receive The Illinois Teacher, the official publication of our association, for one year.

An interesting program has been prepared including the following talent:

Honorable Francis G. Blair—State Superintendent of Public Instruction, State of Illinois.

Sergeant Alvin C. York—World War Hero.

Mrs. Josephine Corliss Preston—State Superintendent of Public Instruction, State of Washington; Past President of N. E. A.

Superintendent John H. Beveridge—Superintendent of Public Schools, Omaha, Nebraska.

Superintendent William M. Davidson—Superintendent of Public Schools, Pittsburgh, Pennsylvania.

Hon. James Hamilton Lewis—Ex-U. S. Senator from Illinois.

Miss Mabel Snedaker—Professor of Elementary Education, University of Iowa.

Dr. J. A. McElrose—Professor of Psychology, James Millikan University, Decatur, Illinois.

Dr. R. L. Lyman—Professor of Education, University of Chicago, Chicago, Illinois.

Dr. Thomas Hopkins—Columbia University, New York City.

Louis Kulinski—State Supervisor Physical Education, Springfield, Ill.

Dr. Arthur B. Mays—Head of Vocational Department, University of Illinois, Urbana, Illinois.

Superintendent E. C. Fisher—Superintendent of Public Schools, Peoria, Illinois.

The official program carries this quotation: "He who builds with wood and stone must see his work decay. But he who shapes the human mind builds for eternity."

There will be no school at Win-Co-Hi on Friday, March 21, on account of the teachers attending this meeting.

NEWS NOTES

Mrs. Haskell came back to school on Monday after having been absent a week while attending the funeral of her sister, Mrs. Lulu Downing at Arden, Nebraska. Mrs. Haskell's classes were taught by Mrs. Richard Hainsworth during her absence.

Miss Olga Hieronymus who was the Commercial teacher of Win-Co-Hi several years ago was a visitor at school on Monday. Miss Hieronymus is now engaged in selling stocks and bonds for a Chicago company but still retains her interest in Win-Co-Hi.

Mr. and Mrs. Curtis Pulliam are enjoying a visit from their brother, Webb Stierwalt of Champaign this week.

Leslie Steelman was unfortunate enough to cut his finger quite badly. Miss Inez Spelbring was in Pana, Illinois on Wednesday evening attending the Sectional basketball tournament in which her home team from Westfield, Illinois participated. Miss Spelbring enjoyed a visit with her parents while at Pana.

Principal E. H. Mellon gave a very interesting review of the chapter on "Citizenship and School Spirit" at the regular faculty meeting on Tuesday evening.

Short Shots

It's over—all over! The boys put up a good fight and surely are deserving of praise. Out of 28 games played, the team won 22. Not bad!

They placed second at the Athens' tournament, second in the district, went to the semi-finals in our tournament, and won the Conference Championship.

Those first few minutes of the Mur-raville game were grand!! Winchester supported the team at Jacksonville nobly. Thanks folks!

The improvement shown by the team in the last half of the final game shows what a comeback they can make!

Don't forget the telegraphic basketball contest March 24.

This is our swan song to the Seniors—we hate to lose you gang, but we wish you luck!

It is always with regret that we see another athletic season close somehow; it brings a queer feeling in our hearts—we look forward to it—watch it—and see it pass on. All heads are turned now to track—it won't be long now till that's in full swing. In saying farewell to our basketball squad, let's all make this our thought:

To the purple and gold,
We'll always be true,
Goodbye for now, team—
We're sure proud of you!
And with this ye ed says adieu to Basketball—Hello Track!

SENIORS LEAD IN BASKETBALL RACE

At the time of the writing of this article only one-half of the girls' tournament has been completed. To date, the seniors lead with one victory, no losses and one tie. The remainder of the games will be played the latter part of the week and the first of next and then the all-star game. Watch for it! The basketball shooting contest will be held about a basketball dinner. The rating of the tournament so far is as follows:

Won	Lost	Tie	Pct.	
Seniors	1	0	1	10000
Freshmen	1	1	0	.333
Juniors	0	1	0	.000
Sophomores	0	0	1	.000

SENIOR REWARDS!

The Seniors were very happy Monday morning when Superintendent Mellon at their class meeting, made the announcement that the faculty had made the ruling that all who were on either of the honor rolls two out of three times beginning the last semester would be exempt from the final examinations. Let's work hard. Seniors and all take a rest from these exams.

—Emalene Smith, '30.

TEACHERS' EXAMINATION

Teachers' examination was held in the County Superintendent's office, March 7 and 8. Among those who tried for a provisional certificate were seniors and former graduates of Win-Co-Hi, Mary Jameson '30, Margaret Sipes '30, Emalene Smith '30, Mildred Mitchell '30, Norma Northrop '28, Ernest Jameson '29.

Each contestant will hear the result of his examination in approximately six weeks.

—Mildred Mitchell, '30.

FACULTY ENTERTAINED

Mr. and Mrs. H. B. Corrie entertained the members of the high school faculty, together with the wives and husbands at their home on Wednesday evening at a six-thirty o'clock dinner. Following a delightful three-course dinner, the evening was spent at bridge with four tables at play. A most enjoyable time was had by all.

Win-Co-Hi Aggies Lose to Bluffs. Mr. Corrie's agriculture basketball team fell before the Ag team of Bluffs on Winchester's floor, Friday night. This gives one win and one loss to each team. The third clash occurs Thursday night at Bluffs.

—Ed Farrell, '30.

DIETRICK, MAGICIAN, ENTERTAINS STUDENTS

Hurry! Get your ticket! were the hilarious outbursts of Win-Co-Hi students last Thursday about ten minutes before one. The cause of these cries was the magical and musical entertainment to be given by Chas. Dietrick and Co. in the auditorium at one o'clock.

This program given by Mr. Dietrick and his assistant proved to be very interesting and amusing to all the students. He performed many magic feats, which filled the audience with surprise and wonder.

The music, which he produced by means of his bells was perhaps the most impressive. Such old familiar songs as "Believe Me If All Those Endearing Young Charms" and "Old Black Joe" regained their grandeur and loveliness when Mr. Dietrick played them on the bells.

Practically all of the students, all of the faculty and a few others were present to enjoy the program.

SCHOOL PICTURES ARRIVE
A few weeks ago a representative from the Photo Photo Service was here taking pictures of the student body, and these pictures were delivered Monday. The Seniors had charge of the selling of the pictures and got 15 per cent of the amount taken in. Although all did not buy the pictures they enjoyed seeing them and no one was compelled to buy them but one of each pupil was given to the school to put in the records.

MOTHER AND SON ARE HELD FOR MURDER

Murphysboro, Ill., March 15.—(P)—Horace Fleming, 13, and his mother, the widow of John Patterson, were ordered held on murder charges by a coroner's jury which late last night completed a lengthy inquest into the slaying of Patterson at his home here last Sunday.

The jury found that Patterson had been murdered by a blow on the head administered by his wife with a sharp ax. While a witness testified that young Fleming fired a shot at Patterson, the jury held that he was not killed by gunfire.

The boy and his mother were placed in the county jail and were held today without bond awaiting action by the state.

A small boy, a grandson of Mrs. Patterson, testified at the inquest that he saw the Fleming boy shoot Patterson and that Mrs. Patterson then struck her husband with an ax. Sheriff William Flanagan said he found Mrs. Patterson armed with a shotgun when he reached the scene of the slaying. Testimony also was that a bloody ax was found under the porch.

WOULD ISSUE BONDS
Washington, March 15.—(P)—Permission to issue \$45,186,000 of first mortgage bonds was requested today from the interstate commerce commission by the Chicago, St. Paul, Minneapolis and Omaha railroad to be used as security for payment of a note.

SOUTHERN TEACHERS ELECT NEW OFFICERS

Carbondale, Ill., Mar. 15.—(P)—The fiftieth anniversary session of the Southern Illinois Teachers' convention closed last night with election of officers. A total of 2,727 teachers registered during the convention.

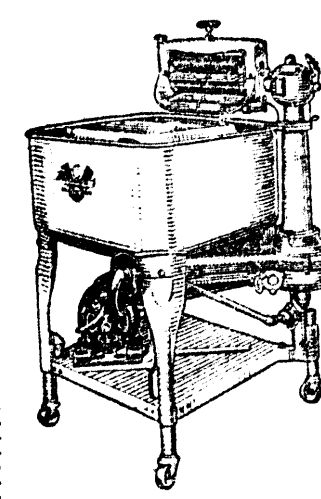

Roy Norris, principal of the Anna-Jonesboro high school, was elected president; Ralph Stricker, Havana, vice president; Mrs. Mattie Hama, Rosclair, second vice president; Mrs. Kate Hartline, Cairo, secretary; Miss Lillian Phelps, Golconda, corresponding secretary; George McDermann, Metropolis, financial secretary; M. L. Hund, McLeansboro, treasurer.

king of downtown bootleggers," was ordered held in city prison here on default of \$150,000 bond set by Judge Louis Fitzsimmons in federal court.

Blewitt is held on two counts of violating the national prohibition law after having jumped bond while on trial here more than a year ago. Court attaches said it was intended that bond should be set so high this time as to make it hard for Blewitt to find a bondsman.

No definite date has been set for the trial but U. S. Attorney Walter Frosch indicated that Blewitt will be tried in April.

Helen Clark, who with Blewitt was taken into custody last Monday at Sheboygan, Wis., was not brought before the judge. She is lodged in the city jail.

Wisconsin authorities have said that Blewitt will be returned to that state to answer charges of maintaining a still in his cottage there. If he is not convicted and sentenced here.

Since the sale of passenger car plates last year did not reach the million mark until April 1, it is expected that this year's registration will exceed the 1934 figure by 100,000 cars.

Fees collected by the automobile department up to March 1 of this year exceeded those collected in the same period in 1934 by \$2,364,122.50. The total collected to March 1 was \$11,953,913.42.

ARREST MATTOON MAN FOR BANK THEFT

Mattoon, Ill., March 9.—(AP)—Charged with his second bank robbery in four months, Clint C. Brooks, 28, a Mattoon barber, was arrested at his home here at 10 o'clock this morning, following identification of his photograph by four witnesses of the Jasper, Indiana bank robbery Tuesday.

Police Chief Oscar Cutright and Policeman Maxedon made the arrest at the request of detective Ingle A. Laird of the Indiana criminal bureau of Indianapolis who had secured identification of Brooks' picture as that of the Jasper bank robber.

Brooks, Chief Cutright said, was out on \$10,000 bond pending trial for the daylight bank robbery of the Farmers State bank at Gays, Ill., Dec. 11, 1934, and at that time, the chief added, he was out on a previous bond. He had served time at Pontiac reformatory.

MILLION LICENSES HAVE BEEN ISSUED BY STATE

Springfield, Ill., March 9.—(AP)—Registration of passenger cars in Illinois today passed the one million mark according to an announcement by Secretary of State William J. Stratton.

Since the sale of passenger car plates last year did not reach the million mark until April 1, it is expected that this year's registration will exceed the 1934 figure by 100,000 cars.

Fees collected by the automobile department up to March 1 of this year exceeded those collected in the same period in 1934 by \$2,364,122.50. The total collected to March 1 was \$11,953,913.42.

AMERICA MAY CLAIM SOUTH POLE LAND

Washington, March 15.—(AP)—The State Department today expressed the view that the intention of Rear Admiral Byrd not to claim lands discovered in the Antarctic area was not consistent with the American position.

It was the opinion of the State Department that the decision in regard to claiming South Pole territory might be the state department would take the view that national claims could not be affected by verbal relinquishment on the part of a discoverer.

At the beginning of the Byrd expedition the polar discoveries were made the subject of correspondence between the United States and Great Britain, when the latter government laid claim to practically the entire Antarctic region by right of prior discovery.

The United States has not admitted the British claim, but there has been no correspondence on the subject since November, 1929, when the state department acknowledged the British note without admitting the identity of the claims it contained.

SPEND 250 MILLIONS ON U. S. HIGHWAYS

Washington, March 15.—(AP)—Plans of states and counties to spend \$250,000,000 more for highway construction during 1930 were cited by the department of agriculture today as evidence of cooperation with President Hoover in his request for enlarged construction programs to relieve unemployment.

Road building expenditures contemplated, the department's bureau of public roads reported, total \$160,187,455, of which \$97,500,455 will go for construction and maintenance of state highways, and \$62,687,000, as estimated, for local roads and bridges.

The expenditures planned on improvement of state and local roads were given by sections. Ohio, Indiana, Illinois, Michigan and Wisconsin, estimated \$303,696,000 would be spent for new roads.

Roodhouse

Roodhouse, March 15.—Tuesday, March 25th will bring another interesting musical event. Gounod's "Galla" a very lovely Lenton cantata, will be given in Roodhouse, at eight o'clock. This splendid work is to be sung by one hundred children's voices assisted by the ladies chorus of 35 with Miss Mahalia McGehee and Mrs. Marjorie Ricks as accompanists. The soprano solo and obligato will be done entirely by the children and Roodhouse citizens will be amazed at these particular features.

In addition to "Galla" "Hear Our Prayer" by Felix Mendelssohn, is also to be heard with the same singers but Mrs. Helen Brown Reed soprano will give the solo, assisted by the children. The ladies chorus will appear in two numbers as well. Ben Claire Crow is to conduct.

Christian Church Notes

Christian church, Ben Claire Crow, minister. Communion and sermon, nine o'clock. Choral communion service in E flat by O'Hare including the "Agnus Dei" and "Benedictus" offertory, solo "The Holy Mother" by Howard McKinney, Irene Short.

Sermon, "Crumbs from the Master's Table."

Bible school, ten o'clock. Help us to continue the increase in this department.

Choral evensong, five o'clock. Sunday, March 30th.

Christian endeavor, six-thirty. Subject, "Peter, a Great Evangelist."

Leader, Mrs. Floyd Crawford.

Mid-week prayer service, Thursday seven thirty.

"Believe in the Church Universal" will be the theme for a frank discussion of this great subject. Meet with us this week.

As has been the custom with this congregation for the past ten years, the Holy week observance will again be held beginning Sunday, April 13th. On that date at the five o'clock hour, Monette's "Seven Last Words" will be sung by twelve solo voices. Each evening at eight o'clock the passion of the Saviour will be noted in discourse and sung with the climax on Good Friday night when the Strainer setting of the "Crucifixion" is to be rendered by the combined adult choirs with Leo Schumi violinist.

These sermons will include Easter Sunday with the Gounod choral service being done in the morning and the great Rossini "Stabat Mater" by the combined children's and adult choirs at the evening hour.

This church will unite with the other congregations in the afternoon recognition of Good Friday.

CHASSIS PROTECTION, CHASSIS PERFORMANCE, that Nash alone Provides

NASH engineering has built an amazing amount of extra value and extra satisfaction into the 1930 Nash "400's." You will not find the oil cushioned chassis in any other car of the Nash price. Eventually, perhaps, but not now. And Nash offers you this superior chassis protection in both the Twin-Ignition Eight and Six. All Nash models, even the lowest priced, are equipped with an efficient, modern system of centralized chassis lubrication which eliminates the bother and uncertainty of hand greasing. In addition the Twin-Ignition Eight and Six have permanently lubricated springs, encased in steel spring covers. This means chassis bearings, including spring shackle bolts and springs, constantly bathed in oil. No squeaks, creaks or rust—longer life! And you will find the "400" price no higher than that of other cars without this valuable safeguard.

PARROT FEVER PROBE DROPPED BY U. S.

Washington, March 15.—(AP)—With the appearance of three new cases of psittacosis, or parrot fever, among the members of the staff, the hygienic laboratory of the United States public health service has decided temporarily to suspend its work with sick parrots in an effort to find a cure for the mysterious tropical disease. In announcing suspension of its work with parrots today, Dr. George

W. McCoy, director of the hygienic laboratory, said it was believed that a point has been reached where no more work with the birds was essential. "Just what we will do next I do not know," he added. "We have all been concerned over these latest cases. It is resumed some other method must be followed." The three members of the staff who have developed the disease recently are Dr. H. E. Hasseltine, public health service surgeon; Ernest L. Millar, laboratory worker; and a negro janitor at the laboratory. None is thought to be in a serious condition.

JERSEYVILLE JUDGE HAS UNUSUAL EXPERIENCE

Jerseyville, March 15.—Judge Fred W. Howell had an unusual experience this week when a couple appeared before him, bent on matrimony. The judge took the license and prepared for the ceremony when, to his chagrin, he saw the name of his own wife on the document.

For a moment the judge was stunned, wondering if the menace of the matrimonial triangle had at last invaded his home. He knew he had left his wife safely guarding the fire-side, but in these days of many complexes, even impossible things can happen.

With fear and trembling he looked at the bride and was relieved to find

ALFOCORN Guaranteed FEEDS

IN DOLLAR MARK BAGS

Remember the question— "How Many Will I Raise?"

Follow this plan carefully:
1st Day—Give the baby chicks (Quaker-Ful-O-Pep) warm water, change it two or three times.

2nd Day—Water same as day before, and give them a little fine charcoal and grit, no food.

3rd Day—Water as before, put warm Alfocorn Chick Starter in the feeder and give it to them, about as much as they will clean up in twenty minutes three times during the day, feed it dry, but if they are slow in starting to eat, moisten a little just enough to make it crumbly.

After 4th day keep the feeder filled with the starter. Morning and evening give them a little Alfocorn Chick Starter, about as much as they can clean up in a half hour; increase the amount slightly as they grow.

New York Stock Report on Page Seven

READJUSTMENTS CAUSE CURB IRREGULARITY

By Stanley W. Frenosil
NEW YORK, March 15.—(AP)—Extensive week-end readjustment of speculative accounts accounted for the highly irregular price movement in today's curb market, net declines predominating at the close.

A brisk demand for United Gas, which was marked up about 6 points to a new high record of buying influenced by the reported merger of the natural gas properties of that company, Electric Power & Light and Magnolia Petroleum, was the day's feature. Total transactions in United Gas, which retained most of its gain, accounted for nearly one-fourth of the day's entire volume of business.

Oil, which was heavily bought earlier in the week, turned irregular on profit-taking. Humble and Gulf closed about a point higher but Lion dropped 2 1/2. Indiana Territory fluctuating 1 1/2, and most of the other leaders fractionally.

Public Utilities were in rather free supply all day. Consolidated Gas of Baltimore fell nearly 3 points and American Gas & Electric, Central States Electric and Electric Bond & Share sagged a point or two.

Investment trust shares also showed reactionary tendency. United Founders dropped nearly 3 points to the lowest price since it was listed a few weeks ago, but made partial recovery.

The Blue Ridge issues, Goldman Sachs and several other recent leaders declined fractionally. Insurance securities moved into new high ground.
